RESOLUTION RELATING TO \$1,500,000 GENERAL OBLIGATION TAX ABATEMENT BONDS, SERIES 2025A; RATIFYING THE AWARD OF SALE, PRESCRIBING THE FORM AND DETAILS AND PROVIDING FOR THE PAYMENT THEREOF

BE IT RESOLVED by the School Board (the Board) of Independent School District No. 480 (Onamia Public Schools), Minnesota (the District), as follows:

SECTION 1. AUTHORIZATION AND SALE.

1.01. Authorization.

(a) Pursuant to a resolution adopted on September 16, 2024 (the Abatement and Parameters Resolution), this Board determined it is in the best interests of the District to authorize the issuance and sale of its General Obligation Tax Abatement Bonds, Series 2025A (the Bonds), pursuant to Minnesota Statutes, Sections 469.1812 to 469.1815, as amended, and Chapter 475. The Authorizing Resolution authorized PMA Securities, LLC, in Albertville, Minnesota (PMA) to proceed with the sale of the Bonds by a competitive sale and further authorized the Superintendent or Business Manager and any Board officer, in consultation with and upon the advice of representatives of PMA, to execute a contract on the part of the District for the sale of the Bonds with the purchase of the Bonds; provided that the aggregate principal amount of the Bonds shall not exceed \$1,500,000 and the true interest cost shall not exceed 5.00%.

The Bonds will be used to finance general parking lot improvements at various District facilities (the Projects). To pay all or a portion of the costs of the Projects or to pay a portion of the principal of and interest on general obligation bonds to be issued by the District to pay for the Projects, this Board pursuant to the Abatement and Parameters Resolution has granted an abatement of property taxes to be imposed by the District on certain parcels in the District identified in the Abatement and Parameters Resolution (the Abated Parcels) for a period of ten (10) years, commencing with taxes payable in 2025 and concluding with taxes payable in 2034 (the Tax Abatement), all pursuant to Minnesota Statutes, Sections 469.1812 to 469.1815, as amended. The revenues derived by the District from such Tax Abatement are referred to collectively herein as the Tax Abatement Revenue. The Bonds will finance the Projects including every item of cost of the kinds authorized in Minnesota Statutes, Section 469.1814, subdivision 5, benefiting the Abated Parcels.

1.02. Sale. A proposal for purchase of the Bonds meeting the requirements of the Abatement and Parameters Resolution has been received from the Robert W. Baird & Co., Inc., in Milwaukee, Wisconsin (the Purchaser), and it is hereby determined the Bonds shall be issued in the principal amount of \$1,500,000 at a purchase price of \$1,715,573.15 (representing the par amount, plus original issue premium of \$228,698.15, and less an underwriter's discount of \$13,125.00) plus accrued interest, if any, and upon the further terms and conditions set forth herein.

1.03. Ratification of Award. Pursuant to the Authorizing Resolution, the sale of the Bonds has been awarded by the Superintendent and the Board Vice Chair to the Purchaser. The sale of the Bonds to the Purchaser and the execution of the bond purchase agreement by the Superintendent and the Board Vice Chair with the Purchaser for the sale of the Bonds to the Purchaser are hereby ratified in all respects.

SECTION 2. BOND TERMS; REGISTRATION; EXECUTION AND DELIVERY.

2.01. Issuance of Bonds. All acts, conditions and things which are required by the Constitution and laws of the State of Minnesota to be done prior to the issuance of the Bonds having been done, existing and having happened, it is necessary for this Board to establish the form and terms of the Bonds, to provide for the security thereof, and to issue the Bonds forthwith.

2.02. Maturities, Interest Rates and Denominations. The Bonds shall be originally dated as of March 5, 2025, shall be in denominations of \$5,000 or any integral multiple thereof of single maturities, shall mature on February 1 in the years and amounts stated below and shall bear interest from date of issue until paid at the annual rates set forth opposite such years and amounts, as follows:

<u>Year</u>	<u>Amount</u>	<u>Rate</u>
2031	\$ 70,000	5.000%
2032	345,000	5.000
2033	345,000	5.000
2034	360,000	5.000
2035	380,000	5.000

For purposes of complying with the maturity provisions of Minnesota Statutes, Section 475.54, subdivision 1, the maturity schedule for the Bonds shall be combined with the maturity schedules for the District's outstanding Series 2015A and Series 2020B general obligation bonds.

The Bonds shall be issuable only in fully registered form. Interest shall be computed on the basis of a 360-day year composed of twelve 30-day months. The interest thereon and, upon surrender of each Bond, the principal amount thereof, shall be payable by check or draft issued by the Registrar described herein; provided that, so long as the Bonds are registered in the name of a securities depository, or a nominee thereof, in accordance with Section 2.08 hereof, principal and interest shall be payable in accordance with the operational arrangements of the securities depository.

2.03. Dates and Interest Payment Dates. Upon initial delivery of the Bonds pursuant to Section 2.07 and upon any subsequent transfer or exchange pursuant to Section 2.06, the date of authentication shall be noted on each Bond so delivered, exchanged or transferred. The interest on the Bonds shall be payable on February 1 and August 1, commencing August 1, 2025, to the owners of record thereof as of the close of business on the fifteenth day of the immediately preceding month, whether or not such day is a business day.

2.04. No Optional Redemption. The Bonds are not subject to redemption and prepayment at the option of the District prior to maturity.

2.05. Appointment of Initial Registrar. The District hereby appoints Northland Bond Services, a division of First National Bank of Omaha, in Minneapolis, Minnesota, as the initial bond registrar, transfer agent and paying agent (the Registrar). The Chairperson and the Clerk are authorized to execute and deliver, on behalf of the District, a contract with the Registrar. Upon merger or consolidation of the Registrar with another corporation, if the resulting corporation is a bank or trust company organized under the laws of the United States or one of the states of the United States and authorized by law to conduct such business, such corporation shall be authorized to act as successor Registrar. The District agrees to pay the reasonable and customary charges of the Registrar for the services performed. The District reserves the right to remove the Registrar upon thirty (30) days' notice and upon the appointment and acceptance of a successor Registrar, in which event the predecessor Registrar shall deliver all cash and Bonds in its possession to the successor Registrar and shall deliver the bond register to the successor Registrar.

2.06. Registration. The effect of registration and the rights and duties of the District and the Registrar with respect thereto shall be as follows:

(a) Register. The Registrar shall keep at its principal corporate trust office a bond register in which the Registrar shall provide for the registration of ownership of Bonds and the registration of transfers and exchanges of Bonds entitled to be registered, transferred or exchanged.

(b) Transfer of Bonds. Upon surrender for transfer of any Bond duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Bonds of a like aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer after the fifteenth day of the month preceding each interest payment date and until such interest payment date.

(c) Exchange of Bonds. Whenever any Bonds are surrendered by the registered owner for exchange the Registrar shall authenticate and deliver one or more new Bonds of a like aggregate principal amount and maturity, as requested by the registered owner or the owner's attorney in writing.

(d) Cancellation. All Bonds surrendered upon any transfer or exchange shall be promptly canceled by the Registrar and thereafter disposed of as directed by the District.

(e) Improper or Unauthorized Transfer. When any Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) Persons Deemed Owners. The District and the Registrar may treat the person in whose name any Bond is at any time registered in the bond register as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner or upon the owner's order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(g) Taxes, Fees and Charges. For every transfer or exchange of Bonds, the Registrar may impose a charge upon the owner thereof sufficient to reimburse the Registrar for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

(h) Mutilated, Lost, Stolen or Destroyed Bonds. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Registrar shall deliver a new Bond of like amount, number, maturity date and tenor in exchange and substitution for and upon cancellation of any such mutilated Bond or in lieu of and in substitution for any such Bond destroyed, stolen or lost, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Bond destroyed, stolen or lost, upon filing with the Registrar of evidence satisfactory to it that such Bond was destroyed, stolen or lost, and of the ownership thereof, and upon furnishing to the Registrar of an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the District and the Registrar shall be named as obligees. All Bonds so surrendered to the Registrar shall be canceled by it and evidence of such cancellation shall be given to the District. If the mutilated, destroyed, stolen or lost Bond has already matured in accordance with its terms it shall not be necessary to issue a new Bond prior to payment.

(i) Authenticating Agent. The Registrar is hereby designated authenticating agent for the Bonds, within the meaning of Minnesota Statutes, Section 475.55, subdivision 1, as amended.

(j) Valid Obligations. All Bonds issued upon any transfer or exchange of Bonds shall be the valid obligations of the District, evidencing the same debt, and entitled to the same benefits under this resolution as the Bonds surrendered upon such transfer or exchange.

2.07. Execution; Authentication and Delivery. The Bonds shall be prepared under the direction of the Clerk and shall be executed on behalf of the District by the signatures of the Chairperson and the Clerk, provided that all signatures may be printed, engraved, or lithographed facsimiles of the originals. In case any officer whose signature, or a facsimile of whose signature, shall appear on the Bonds shall cease to be such officer before the delivery of any Bond, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. Notwithstanding such execution, no Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this resolution unless and until a certificate of authentication on such Bond has been duly executed by the manual signature of the Registrar. The executed certificate of authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this resolution. When the

Bonds have been so delivered and authenticated, they shall be delivered by the Clerk to the Purchaser upon payment of the purchase price in accordance with the contract of sale heretofore made and executed, and the Purchaser shall not be obligated to see to the application of the purchase price.

2.08. Securities Depository. (a) For purposes of this section the following terms shall have the following meanings:

“Beneficial Owner” shall mean, whenever used with respect to a Bond, the person in whose name such Bond is recorded as the beneficial owner of such Bond by a Participant on the records of such Participant, or such person’s subrogee.

“Cede & Co.” shall mean Cede & Co., the nominee of DTC, and any successor nominee of DTC with respect to the Bonds.

“DTC” shall mean The Depository Trust Company of New York, New York.

“Participant” shall mean any broker-dealer, bank or other financial institution for which DTC holds Bonds as securities depository.

“Representation Letter” shall mean the Representation Letter pursuant to which the District agrees to comply with DTC’s Operational Arrangements.

(b) The Bonds shall be initially issued as separately authenticated fully registered bonds, and one Bond shall be issued in the principal amount of each stated maturity of the Bonds. Upon initial issuance, the ownership of such Bonds shall be registered in the bond register in the name of Cede & Co., as nominee of DTC. The Registrar and the District may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, if any, giving any notice permitted or required to be given to registered owners of Bonds under this resolution, registering the transfer of Bonds, and for all other purposes whatsoever; and neither the Registrar nor the District shall be affected by any notice to the contrary. Neither the Registrar nor the District shall have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any Participant, or any other person which is not shown on the bond register as being a registered owner of any Bonds, with respect to the accuracy of any records maintained by DTC or any Participant, with respect to the payment by DTC or any Participant of any amount with respect to the principal of or interest on the Bonds, with respect to any notice which is permitted or required to be given to owners of Bonds under this resolution, with respect to the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of the Bonds, or with respect to any consent given or other action taken by DTC as registered owner of the Bonds. So long as any Bond is registered in the name of Cede & Co., as nominee of DTC, the Registrar shall pay all principal of and interest on such Bond, and shall give all notices with respect to such Bond, only to Cede & Co. in accordance with DTC’s Operational Arrangements, and all such payments shall be valid and effective to fully satisfy and discharge the District’s obligations with respect to the principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than DTC shall receive an authenticated Bond for each separate stated maturity evidencing the obligation of

the District to make payments of principal and interest. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the Bonds will be transferable to such new nominee in accordance with paragraph (e) hereof.

(c) In the event the District determines that it is in the best interest of the Beneficial Owners that they be able to obtain Bonds in the form of bond certificates, the District may notify DTC and the Registrar, whereupon DTC shall notify the Participants of the availability through DTC of Bonds in the form of certificates. In such event, the Bonds will be transferable in accordance with paragraph (e) hereof. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the District and the Registrar and discharging its responsibilities with respect thereto under applicable law. In such event the Bonds will be transferable in accordance with paragraph (e) hereof.

(d) The execution and delivery of the Representation Letter to DTC by the Chairperson or Clerk, if not previously filed, or if required to be re-filed with DTC, is hereby authorized and directed.

(e) In the event that any transfer or exchange of Bonds is permitted under paragraph (b) or (c) hereof, such transfer or exchange shall be accomplished upon receipt by the Registrar of the Bonds to be transferred or exchanged and appropriate instruments of transfer to the permitted transferee in accordance with the provisions of this resolution. In the event Bonds in the form of certificates are issued to owners other than Cede & Co., its successor as nominee for DTC as owner of all the Bonds, or another securities depository as owner of all the Bonds, the provisions of this resolution shall also apply to all matters relating thereto, including, without limitation, the printing of such Bonds in the form of bond certificates and the method of payment of principal of and interest on such Bonds in the form of bond certificates.

SECTION 3. FORM OF BONDS. The Bonds shall be prepared in substantially the form found at EXHIBIT A hereto.

SECTION 4. USE OF PROCEEDS.

4.01. General Obligation Tax Abatement Bonds, Series 2025A Construction Fund. There is hereby established on the official books and records of the District a General Obligation Tax Abatement Bonds, Series 2025A Construction Fund (the Construction Fund), and the District shall continue to maintain the Construction Fund until payment of all costs and expenses incurred in connection with the Projects financed by the Bonds have been paid. To the Construction Fund there shall be credited from the proceeds of the Bonds in an amount equal to the estimated construction costs and expenses of the Projects, and from the Construction Fund there shall be paid all such construction costs and expenses. After payment of all such construction costs and expenses, the Construction Fund shall be discontinued and any Bond proceeds remaining therein shall be credited to the Debt Service Fund established by Section 4.02 hereof.

4.02. General Obligation Tax Abatement Bonds, Series 2025A Debt Service Fund. So long as any of the Bonds are outstanding and any principal of or interest thereon unpaid, the District shall maintain a separate debt service fund on the official books and records of the District to be

known as the General Obligation Tax Abatement Bonds, Series 2025A Debt Service Fund (the Debt Service Fund), which the District agrees to maintain until the Bonds have been paid in full, and the principal of and interest on the Bonds shall be payable from the Debt Service Fund. The moneys on hand in the Debt Service Fund from time to time shall be used only to pay the principal of and interest on the Bonds. The District irrevocably appropriates to the Debt Service Fund:

- i. any funds received from the Purchaser upon delivery of the Bonds in excess of (A) the amount required by Section 4.01 above to be credited to the Debt Service Account and (B) the amount required to be set aside for payment of the costs of issuance of the Bonds;
- ii. the amounts specified in Section 4.01 above, after payment of all costs and expenses of the Projects;
- iii. all Tax Abatement Revenue received by the District;
- iv. all taxes levied and collected in accordance with this resolution or any additional resolutions of the Board; and
- v. all other moneys as shall be appropriated by the Board to the Debt Service Fund from time to time.

If any payment of principal of and interest on the Bonds shall become due when there is not sufficient money in the Debt Service Fund to make such payment, the Clerk shall pay the same from any other available fund of the District, and such other fund shall be reimbursed for such advances out of the proceeds of the taxes levied for the payment of the Bonds when available.

4.03. Tax Levies. For the prompt and full payment of the principal of and interest on the Bonds as the same respectively become due, the full faith, credit and taxing power of the District shall be and are hereby irrevocably pledged. In order to produce aggregate amounts which, together with the Tax Abatement Revenue, will produce amounts not less than five percent in excess of the amounts needed to meet when due the principal of and interest on the Bonds as required by Minnesota Statutes, Section 475.61, subdivision 1, there is hereby levied on all taxable property in the District a direct, annual ad valorem tax which shall be spread upon the tax rolls for collection in the years and amounts as follows, as part of other general taxes of the District, as follows:

<u>Levy Years</u>	<u>Collection Years</u>	<u>Amount</u>
-------------------	-------------------------	---------------

(See attached levy computation)

The taxes shall be irrevocable as long as any of the Bonds are outstanding and unpaid; provided that the District reserves the right and power to reduce the levies in the manner and to the extent permitted by Minnesota Statutes, Section 475.61. If, as of the date tax levies are certified in any year, the sum of the balance in the Debt Service Fund plus any Tax Abatement Revenue to be received through the end of the following calendar year plus any ad valorem taxes theretofore levied for the payment of Bonds payable therefrom and collectible through the end of the following calendar year is not sufficient to pay when due all principal and interest to become due on all

Bonds payable therefrom in said following calendar year, or the Debt Service Fund has incurred a deficiency in the manner provided in Section 4.02, an additional direct, irrevocable, ad valorem tax shall be levied on all taxable property within the corporate limits of the District for the purpose of restoring such accumulated or anticipated deficiency in accordance with the provisions of this resolution.

4.04. Debt Service Fund Balance Restriction. In order to ensure compliance with the Internal Revenue Code of 1986 (the Code), and applicable Treasury Regulations (the Regulations), upon allocation of any funds to the Debt Service Fund, the balance then on hand in the Fund shall be ascertained. If it exceeds the amount of principal and interest on the Bonds to become due and payable through February 1 next following, plus a reasonable carryover equal to 1/12th of the debt service due in the following bond year, the excess shall (unless an opinion is otherwise received from bond counsel) be used to prepay or purchase Bonds, or invested at a yield which does not exceed the yield on the Bonds calculated in accordance with Section 148 of the Code.

SECTION 5. DEFEASANCE. When all of the Bonds have been discharged as provided in this section, all pledges, covenants and other rights granted by this resolution to the registered owners of the Bonds shall cease. The District may discharge its obligations with respect to any Bonds which are due on any date by depositing with the Registrar on or before that date a sum sufficient for the payment thereof in full; or, if any Bond should not be paid when due, it may nevertheless be discharged by depositing with the Registrar a sum sufficient for the payment thereof in full with interest accrued from the due date to the date of such deposit. The District may also at any time discharge its obligations with respect to any Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a bank or trust company qualified by law as an escrow agent for this purpose, cash or securities which are authorized by law to be so deposited, bearing interest payable at such time and at such rates and maturing on such dates as shall be required to pay all principal and interest to become due thereon to maturity. Provided, however, that if such deposit is made more than ninety days before the maturity date of the Bonds to be discharged, the District shall have received a written opinion of Bond Counsel to the effect that such deposit does not adversely affect the exemption of interest on any Bonds from federal income taxation and a written report of an accountant or investment banking firm verifying that the deposit is sufficient to pay when due all of the principal and interest on the Bonds to be discharged on and before their maturity dates.

SECTION 6. TAX COVENANTS, ARBITRAGE MATTERS, REIMBURSEMENT AND CONTINUING DISCLOSURE.

6.01. Restrictive Action. The Projects will be owned and maintained by the District and used to carry out its program of public education. The District shall not enter into any lease, management agreement, use agreement or other contract with any nongovernmental entity relating to the Projects or a portion thereof which would cause the Bonds to be considered "private activity bonds" or "private loan bonds" pursuant to the provisions of Section 141 of the Code. The District covenants and agrees with the registered owners of the Bonds that it will not take or permit to be taken by any of its officers, employees or agents any actions that would cause interest on the Bonds to become includable in gross income of the recipient under the Code and applicable Regulations and covenants to take any and all actions within its powers to ensure that the interest on the Bonds will not become includable in gross income of the recipient under the Code and the Regulations.

6.02. Arbitrage Certification. The Chairperson and Clerk being the officers of the District charged with the responsibility for issuing the Bonds pursuant to this resolution, are authorized and directed to execute and deliver to the Purchaser a certificate in accordance with the provisions of Section 148 of the Code and applicable Regulations stating the facts, estimates and circumstances in existence on the date of issue and delivery of the Bonds which make it reasonable to expect that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be “arbitrage bonds” within the meaning of the Code and the Regulations.

6.03. Arbitrage Rebate Exemption. (a) It is hereby found that the District has general taxing powers, that no Bond is a “private activity bond” within the meaning of Section 141 of the Code, that 95% or more of the net proceeds of the Bonds are to be used for local governmental activities of the District, and that the aggregate face amount of all tax-exempt obligations (other than private activity bonds) issued by the District and all subordinate entities thereof during calendar year 2025 is not reasonably expected to exceed \$5,000,000 plus the lesser of \$10,000,000 or so much of the aggregate face amount of the tax-exempt obligations as are attributable to financing or refinancing the construction of public school facilities. Therefore, pursuant to Section 148(f)(4)(D) of the Code, the District shall be treated as meeting the arbitrage rebate requirements of paragraphs (2) and (3) of Section 148(f) of the Code.

(b) If, notwithstanding the provisions of paragraph (a) of this Section 6.03, the arbitrage rebate provisions of Section 148(f) of the Code apply to the Bonds, the District hereby covenants and agrees to make the determinations, retain records and rebate to the United States the amounts at the times and in the manner required by said Section 148(f).

6.04. Qualified Tax-Exempt Obligations. The Board hereby designates the Bonds as “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code relating to the disallowance of interest expense for financial institutions, and hereby finds that the reasonably anticipated amount of tax-exempt obligations, which are not private activity bonds (not treating qualified 501(c)(3) bonds under Section 145 of the Code as private activity bonds for the purpose of this representation) which will be issued by the District and all subordinate entities during calendar year 2025 does not exceed \$10,000,000.

6.05. Reimbursement. The District certifies that the proceeds of the Bonds will not be used by the District to reimburse itself for any expenditure with respect to the Projects which the District paid or will have paid more than 60 days prior to the issuance of the Bonds unless, with respect to such prior expenditures, the District shall have made a declaration of official intent which complies with the provisions of Section 1.150-2 of the Regulations; provided that this certification shall not apply (i) with respect to certain de minimis expenditures, if any, with respect to the Projects meeting the requirements of Section 1.150-2(f)(1) of the Regulations, or (ii) with respect to “preliminary expenditures” for the Projects as defined in Section 1.150-2(f)(2) of the Regulations, including engineering or architectural expenses and similar preparatory expenses, which in the aggregate do not exceed 20% of the “issue price” of the Bonds.

6.06. Continuing Disclosure. (a) Limited Exemption from Rule. The Securities and Exchange Commission (the “SEC”) has promulgated amendments to Rule 15c2-12 under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12) (as in effect and interpreted from time to time, the “Rule”) which govern the obligations of certain underwriters to require that issuers of

municipal obligations enter into contracts for the benefit of the holders of the obligations to provide continuing disclosure with respect to the obligations. This Board hereby finds, determines and declares that the Bonds are exempt from the application of paragraph (b)(5) of the Rule by reason of the exemption granted in paragraph (d)(2) thereof. Specifically, this Board hereby finds that the only “obligated person” (within the meaning of the Rule) with respect to the Bonds is the District and that, giving effect to the issuance of the Bonds and any other securities required to be integrated with the Bonds, there will be no more than \$10 million in principal amount of municipal securities outstanding on the date of issuance of the Bonds as to which the District is an obligated person (excluding municipal securities exempt from the Rule under paragraph (d)(1) thereof because, among other things, they were issued in minimum denominations of \$100,000). In making such finding, the District hereby represents that it has not issued within the six months before the date of issuance of the Bonds and that it reasonably expects that it will not issue within six months after the date of issuance of the Bonds, other securities of the District of substantially the same security and providing financing for the same general purpose or purposes as the Bonds. The exemption from the Rule for the Bonds is conditioned upon the District agreeing to provide certain continuing disclosure as hereinafter provided.

(b) Purpose and Beneficiaries. To provide for the public availability of certain information relating to the Bonds and the security therefor and to permit participating underwriters in the primary offering of the Bonds to comply with paragraph (b)(5) of the Rule, which will enhance the marketability of the Bonds, the District hereby makes the covenants and agreements contained in this section for the benefit of the Owners (as hereinafter defined) from time to time of the outstanding Bonds. If the District fails to comply with any provisions of this section, any person aggrieved thereby, including the Owners of any outstanding Bonds, may take whatever action at law or in equity may appear necessary or appropriate to enforce performance and observance of any agreement or covenant contained in this section, including an action for specific performance or a writ of mandamus. Direct, indirect, consequential and punitive damages shall not be recoverable for any default hereunder to the extent permitted by law. Notwithstanding anything to the contrary contained herein, in no event shall a default under this section constitute a default under the Bonds or under any other provision of this resolution. As used in this section, “Owner” or “Bondowner” means, in respect of a Bond, the registered owner or owners thereof appearing in the bond register maintained by the Registrar or any “Beneficial Owner” (as hereinafter defined) thereof, if such Beneficial Owner provides to the Registrar evidence of such beneficial ownership in form and substance reasonably satisfactory to the Registrar. As used herein, “Beneficial Owner” means, in respect of a Bond, any person or entity which (i) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, such Bond (including persons or entities holding Bonds through nominees, depositories or other intermediaries), or (ii) is treated as the owner of the Bond for federal income tax purposes.

(c) Information To Be Disclosed. The District will provide, in the manner set forth below, either directly or indirectly through an agent designated by the District, the following information at the following times:

- (1) on or before twelve (12) months after the end of each fiscal year of the District, commencing with the fiscal year ending June 30, 2025, to the Municipal Securities Rulemaking Board (the “MSRB”) through its Electronic Municipal Market Access System (“EMMA”), in an electronic format as prescribed by the MSRB, the information in the

District's audited financial statements, which shall be for the most recent fiscal year of the District, and the other financial information and operating data, if any, that is customarily prepared by the District and publicly available under applicable data privacy or other laws (the "Disclosure Information").

Any or all of the Disclosure Information may be incorporated by reference, if it is updated as required hereby, from other documents, including official statements, which have been submitted to the MSRB through EMMA or to the SEC. If the document incorporated by reference is a final official statement, it must be available from the MSRB. The District shall clearly identify in the Disclosure Information each document so incorporated by reference. If the Disclosure Information is changed because it is no longer compiled or publicly available or this paragraph (c)(1) is amended as permitted by subsection (d), then the District shall include in the next Disclosure Information to be delivered hereunder, to the extent necessary, an explanation of the reasons for the amendment and the effect of any change in the type of information provided.

(2) In a timely manner, not in excess of 10 business days, to the MSRB through EMMA, notice of the occurrence of any of the following events (each a "Material Fact"):

- (A) principal and interest payment delinquencies;
- (B) non-payment related defaults, if material;
- (C) unscheduled draws on debt service reserves reflecting financial difficulties;
- (D) unscheduled draws on credit enhancements reflecting financial difficulties;
- (E) substitution of credit or liquidity providers, or their failure to perform;
- (F) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the security or other material events affecting the tax status of the Bonds;
- (G) modifications to rights of holders of the Bonds, if material;
- (H) bond calls, if material, and tender offers;
- (I) defeasances;
- (J) release, substitution or sale of property securing repayment of the Bonds, if material;
- (K) rating changes;
- (L) bankruptcy, insolvency, receivership, or similar event of the obligated person;
- (M) the consummation of a merger, consolidation, or acquisition involving the District or the sale of all or substantially all of the assets of the District, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (N) appointment of a successor or additional trustee or the change of name of a trustee, if material;
- (O) incurrence of a financial obligation of the obligated person, if material, or agreement to covenants, events of default, remedies, priority rights, or other

- similar terms of a financial obligation of the obligated person, any of which affect security holders, if material; and
- (P) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the obligated person, any of which reflect financial difficulties.

For the purposes of the event identified in (L) hereinabove, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for an obligated person in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the obligated person, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the obligated person.

As used herein, for those events that must be reported if material, an event is “material” if it is an event as to which a substantial likelihood exists that a reasonably prudent investor would attach importance thereto in deciding to buy, hold or sell a Bond or, if not disclosed, would significantly alter the total information otherwise available to an investor from the Official Statement, information disclosed hereunder or information generally available to the public. Notwithstanding the foregoing sentence, an event is also “material” if it is an event that would be deemed material for purposes of the purchase, holding or sale of a Bond within the meaning of applicable federal securities laws, as interpreted at the time of discovery of the occurrence of the event.

(3) In a timely manner, to the MSRB through EMMA, notice of the occurrence of any of the following events or conditions:

- (A) the amendment or supplementing of this section pursuant to subsection (d), together with a copy of such amendment or supplement; and

(d) Identifying Information to Accompany Documents. All documents provided to the MSRB shall be accompanied by identifying information as prescribed by the MSRB.

(e) Term; Amendments; Interpretation. The covenants of the District in this section shall remain in effect so long as any Bonds are outstanding. Notwithstanding the preceding sentence, however, the obligations of the District under this section shall terminate and be without further effect as of any date on which the District delivers to the Registrar an opinion of Bond Counsel to the effect that, because of legislative action or final judicial or administrative actions or proceedings, the

failure of the District to comply with the requirements of this section will not cause participating underwriters in the primary offering of the Bonds to be in violation of the Rule or other applicable requirements of the Securities Exchange Act of 1934, as amended, or any statutes or laws successory thereto or amendatory thereof. This section may be amended or supplemented by the District from time to time, without notice to or the consent of the Owners of any Bonds, by a resolution of this Board filed in the office of the recording officer of the District accompanied by an opinion of Bond Counsel, who may rely on Bonds of the District and others and the opinion may be subject to customary qualifications, to the effect that: (i) such amendment or supplement (a) is made in connection with a change in circumstances that arises from a change in law or regulation or a change in the identity, nature or status of the District or the type of operations conducted by the District, or (b) is required by, or better complies with, the provisions of paragraph (d)(2) of the Rule; (ii) this section as so amended or supplemented would have complied with the requirements of paragraph (d)(2) of the Rule at the time of the primary offering of the Bonds, giving effect to any change in circumstances applicable under clause (i)(a) and assuming that the Rule as in effect and interpreted at the time of the amendment or supplement was in effect at the time of the primary offering; and (iii) such amendment or supplement does not materially impair the interests of the Bondowners under the Rule. This section is entered into to comply with, and should be construed so as to satisfy the requirements of, paragraph (d)(2) of the Rule.

All such certified copies, certificates and affidavits, including any heretofore furnished, shall be deemed representations of the District to the correctness of all statements contained herein.

7.03. Official Statement. The District's Superintendent and Business Manager are hereby authorized and directed to review and approve all necessary disclosures in connection with the issuance of the Bonds. PMA is hereby authorized, on behalf of the District, to prepare and distribute to the Purchaser of the Bonds, within seven business days from the sale date of the Bonds, a final official statement (the "Final Official Statement") listing the offering price, the interest rates, selling compensation, delivery date, the underwriters, and such other information relating to the Bonds required to be included in the Final Official Statement by the Rule (as defined in Section 6.06 herein), in the form approved by the Superintendent and Business Manager. The Purchaser is hereby authorized to use and distribute the Final Official Statement in connection with the offering of the Bonds. The Superintendent and Business Manager are hereby authorized

and directed to sign such certifications as may be necessary or required by counsel or the Purchaser with respect to the completeness and accuracy of the Preliminary Official Statement dated January 30, 2025, and the Final Official Statement to be dated on or around February 10, 2025. All actions heretofore or hereafter taken by District officers and staff, or by others acting on behalf of the District, with respect to the Projects to be financed with proceeds of the Bonds, the structuring of the financing, the marketing and sale of the Bonds, the preparation of legal documents and the consummation of the transaction contemplated by this resolution, including but not limited to the engagement of third-party advisors and counsel, are hereby ratified and approved in full.

SECTION 8. STATE PAYMENT; DISTRICT AND REGISTRAR OBLIGATIONS. The District hereby covenants and obligates itself to notify the Commissioner of any potential default in the payment of the principal of or interest on the Bonds and to use the provisions of Minnesota Statutes, Section 126C.55 (the State Payment Law), to guarantee, to the extent permitted by law, payment of the principal of and interest on the Bonds when due. The District further covenants to deposit with the Registrar not less than three business days prior to each February 1 and August 1 as set forth in Section 2.03 hereof, an amount sufficient to make that payment or to notify the Commissioner as provided in the State Payment Law that it will be unable to make all or a portion of such payment. The Registrar will notify the Commissioner if it becomes aware of a potential default in the payment of principal of and interest on the Bonds on any payment date or if, on the date two business days prior to the date on which a payment is due, there are insufficient funds on deposit with the Registrar to make the required payment on such date. The Registrar will cooperate with the District, the Commissioner and the Commissioner of Management and Budget in implementing the provisions of the State Payment Law. In the event that amounts sufficient to make any such interest or principal payment are held by an escrow or paying agent and invested as authorized by Minnesota Statutes, Chapter 475 and such escrow or paying agent is required to use proceeds from such investment to pay to the Registrar the amount necessary to pay such interest or principal on such payment date, then the requirements of the State Payment Law relating to the deposit of such amounts with the Registrar prior to the payment date of such interest or principal shall be deemed satisfied and neither the District nor the Registrar shall be required to notify the Commissioner that insufficient funds are available to pay such interest or principal on such payment date. The District shall do all other things which may be necessary to perform the Bonds hereby undertaken under the State Payment Law, including any requirements hereafter adopted by the Commissioner of Management and Budget or the Commissioner.
